The University of Idaho Cooperative Extension System and the Idaho State Department of Agriculture are sponsoring a seminar for pesticide recertification credits. This seminar will be especially helpful to those applicators that are missing a few credits towards Idaho recertification.

ISDA, WSDA and CCA recertification credits requested

Topics:

Pesticide Labels and Labeling Refresher: "Clicker" interaction with the participants.

Aluminum Phosphide and Fumigant Management Plans: Presentation covers basic information on ALP and discusses the Fumigant Management Plans and the importance of having good records.

Pesticide Drift: This presentation covers pesticide drift in-depth and provides management practices to lower the occurrence of pesticide drift and secondary damage.

ISDA Special Topics: The use of Organophosphates and salmonid protection measures

Presenters:

Sherm Takatori, Idaho State Department of Agriculture Pesticide Applicator Trainer

Ronda Hirnyck, University of Idaho Extension Pesticide Coordinator
